MISSOURI DEMOCRATS REPUDIATE REED

ST. LOUIS, Mo., Aug. 4.—With approximately 80 per cent of the vote tabulated today, returns from the state primaries appear to show the following results:

- 1—Endorsement by democrats of the league of nations.
- 2—Repudiation of Senator James A.

Reed, opponent of the league covenant, and political enemy of the Wilson administration.

3—A marked supremacy of the "dry" vote in Missouri.

Breckenridge Long, former third assistant secretary of state, appears to have won the Democratic nomination for U. S. Senator, although his opponent Henry B. Priest, running on a "wet" and "anti-league of nations" platform, is conceded to have carried Kansas City, the Reed stronghold, and to have polled a heavy vote in wet districts.

ROBS FRIEND OF \$485.00

While Paul Raptaka was headed for the bank several weeks ago to deposit a

sum of \$485 which he had received in the sale of his cafe in Gary, he met several friends who insisted that they go in a place on the south side and have a drink of beer.

They did not stop at the first beer according to evidence brought out in the case before Justice Laube yesterday and when Raptaka came to his senses he realized that they had been loading up his bank roll of \$485.

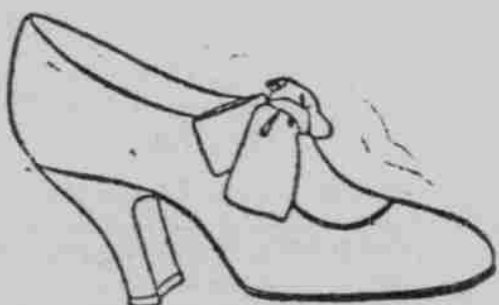

One of his friends, Frank Marovich, 1725 Roosevelt street, was arrested and bound over to the Criminal court yesterday on \$3,000 bonds. His pal to whom Frank handed the money, after

taking it out of Raptaka's pocket made his getaway and the police are searching the city for him.
